

## **Angels of East Africa Missions Statement:**

Angels of East Africa has been working in several areas around the world since 1998, and our main goal and purpose is to rescue children, here in the United States and around the world. We believe children should never be caught in the middle of war, drug activity, abduction or anything that would put them in harm's way.

We are a different kind of nonprofit organization. We believe in going in first hand to rescue the children. Listed below are many of our accomplishments in Southern Sudan and other areas.
