

Confidential Ministry Application

(For Our Records Only)

Have you ever traveled outside the United States, and if so, when?

What countries are stamped in your passport, if any?

Have you held any positions with the US government? If so, which ones?

What do you see yourself contributing on this trip?

Why do you want to go on this trip?

Have you discussed the possibility of not returning with your family?

How do you plan on generating funds for your trip?

I have read and fully understand all rules and regulations of AOEA. I will appropriately represent this non-profit organization. I am also aware of and accept financial responsibility of my mission trip.
